Our review identifies 23 studies investigating internal determinants of IC quality, of which 11 are US studies published since 2013, 11 are non-US studies and one is a cross country study.

Internal control in accounting research: A review ...

John R. Commons (1862-1945) also came from mid-Western America. Underlying his ideas, consolidated in Institutional Economics (1934) was the concept that the economy is a web of relationships between people with diverging interests. There are monopolies, large corporations, labour disputes and fluctuating business cycles.
