- Whether you attend university, work for a company, or own your own business, you know it doesn't take a passport to interact with people from diverse cultures. No matter which part of the world you live in, you need to become a skilled cross-cultural communicator to make the most of your strengths. My name is Tatiana Kolovou. I'm an author, coach, and a faculty member at the Kelly School of ...

- Hi, I'm Bob McGannon and this is Managing Virtual Teams. This course covers the nuances and subtleties of managing employees that aren't working in the same office as you are. We will look at the particular challenges this situation brings to you as a manager and how you can adopt your personal style to be more successful with virtual team members. We will start by examining the fundamental ...

Pre-intermediate MARKET LEADER

In anthropology, High-context culture and low-context culture is a measure of how explicit the messages exchanged in a culture are, and how important the context is in communication. These concepts were first introduced by the anthropologist Edward T. Hall in his 1976 book Beyond Culture. According to Hall, in a low-context culture, the message will be interpreted through just the words ...
