By definition, wicked problems cannot be solved, but can be "managed" or "resolved" to a certain extent. The whole process of managing wicked problems is dynamic. For instance, the understanding of the problem comes from creating possible solutions and considering how they might work.

On Wicked Problems and their Solution Strategies

2 Peter 2. But there were false prophets also among the people, even as there shall be false teachers among you, who privily shall bring in damnable heresies, even denying the Lord that bought them, and bring upon themselves swift destruction.
